

AMENDMENTS TO THE CLAIMS:

This listing of claims will replace all prior versions, and listings, of claims in the application:

Claims 1-8. (Canceled).

9. (Currently Amended) An auxiliary fitting for choosing a hairstyle comprising a support that can be removably worn by a person on his/her head, and a plurality of locks being connectable to said support, wherein at least two locks of different hairstyles from each other ~~can~~ ~~be~~ fastened on said support arranged on opposite sides relative to a midline of said support, such as to be simultaneously and separately seen by the person wearing said support to obtain an accurate representation of his/her appearance, as would result from ~~the~~said different ~~hairstyle~~ hairstyles based on either one of said at least two locks.

10. (Previously Presented) The fitting according to claim 9, wherein said at least two locks are different by size, shape and/or color.

11. (Previously Presented) The fitting according to claim 9, wherein at least one of said at least two locks is removably fastened to said support by non-permanent fixing structure.

12. (Previously Presented) The fitting according to claim 11, wherein at least one of said two locks is fixed to a male or female band of a hook-and-loop strip and said support is integrally provided with at least one female or male band of said hook-and-loop strip.

13. (Previously Presented) The fitting according to claim 9, wherein said at least two locks are locks of natural hair and/or false hair of any other material.

14. (Previously Presented) The fitting according to claim 9, wherein said support is selected from the group consisting of a hairband, a band and a wig cap.

15. (Currently Amended) An auxiliary fitting for choosing a hairstyle comprising a support that can be removably worn by a person on his/her head, and a plurality of locks being connectable to said support, wherein at least two locks ~~of different hairstyles~~ from each other ~~can~~ ~~be~~ ~~are~~ fastened on said support arranged on opposite sides of said support, such as to be simultaneously and separately seen by the person wearing said support to obtain an accurate representation of his/her appearance, as would result from ~~all~~ ~~said different hairstyle-hairstyles~~ based on either one of said at least two locks.

16. (Previously Presented) The fitting according to claim 15, wherein said at least two locks are different by size, shape and/or color.

17. (Previously Presented) The fitting according to claim 15, wherein at least one of said at least two locks is removably fastened to said support by non-permanent fixing structure.

18. (Previously Presented) The fitting according to claim 17, wherein at least one of said two locks is fixed to a male or female band of a hook-and-loop strip and said support is integrally provided with at least one female or male band of said hook-and-loop strip.

19. (Previously Presented) The fitting according to claim 15, wherein said at least two locks are locks of natural hair and/or false hair of any other material.

20. (Previously Presented) The fitting according to claim 15, wherein said support is selected from the group consisting of a hairband, a band and a wig cap.
